All hail the power of Jesus’ Name!
Let angels prostrate fall;
Bring forth the royal diadem,
And crown Him Lord of all.

These were the opening words of FEBC’s first radio station when it launched on June 4, 1948, in Manila, Philippines...words glorifying Jesus.

A Vision from God and the Faith to Follow
Sharing Christ and leading people to faith has been the cornerstone of FEBC from that first day of ministry in 1948, and has continued uninterrupted for 70 years! While co-founders Robert Bowman and John Broger originally planned to broadcast from China, this plan was abandoned when Communism overtook the country, forcing them to look elsewhere.

And God provided! The war-ravaged islands of the Philippines had just declared its independence, and FEBC soon established a base of operations in Manila, blanketing China with a powerful shortwave radio broadcast.

Since then, our Philippines staff has established 12 radio stations throughout the country. To this day, international shortwave broadcasts from two facilities transmit daily...continued on page 2 »

FRANKLIN GRAHAM TESTIMONIAL

“Congratulations to everyone at Far East Broadcasting Company on 70 years of proclaiming Jesus Christ! “My father, Billy Graham, worked very closely with Proceso Marcelo, a well-loved Filipino pastor from the Philippines who served with Far East Broadcasting in the early days. We are glad that Far East Broadcasting Company has not wavered from their mission of sharing Jesus Christ. This ministry has grown from the very first broadcast in the Philippines in 1948 to over 49 countries today. “Congratulations! I pray for the ministry and the people being reached by Far East Broadcasting Company.”

DISCOVERING HOPE IN A WAR ZONE

“You’re the only ones who can bring hope to our people,” Ukrainian government officials tell us, based on the success they’ve seen in other cities where FEBC broadcasts. That’s why we’re about to launch our 7th station located in Pokrovsk, Ukraine in July 2018.

Most of FEBC’s Ukrainian stations are in the war-torn eastern regions of the country. Struggling with fear, depression, and loneliness, people are tuning into FEBC and finding truth and comfort in God’s Word. They’re learning about Jesus and the magnitude of His love for them, replacing heartache and loss with a hope they never before experienced.

“Healing from the Inside”

Our vision is for millions of Ukrainians to discover the gift of salvation and learn that God loves and cares for them. People like Anna are learning this firsthand, as she heals from a shattered heart:

“When I listen to your programs, I feel like God is touching my heart and healing me from the inside. I am only just now learning about Jesus; I began thinking about God when I lost my son in this war. What is life? Who am I really? How come I never asked these important questions?”

“Your programs are helping me heal and are challenging me to think. I know that only God can soften my pain.” Thank you for helping us share the love of Christ with the people of Ukraine – and around the world. A God-shaped vacuum exists in the hearts of all people. And until all have heard, our mission is to share the Gospel of Jesus Christ, who alone can fill the void in their hearts and give them everlasting life.

Dear Friends,

What an honor to attend the celebration of FEBC Philippines’ 70th anniversary last month! It was a particularly touching moment when we all joined in to sing *All Hail the Power of Jesus’ Name*, the same hymn sung on the opening broadcast of FEBC’s first radio station in 1948. Dr. Bob Bowman and John Broger, co-founders of FEBC, would have been so pleased to see the ministry they helped launch celebrating such a momentous milestone.

Seventy years of sharing the Good News!

God has used this ministry mightily…and continues to do so today. The number of listeners who share their stories of changed lives grows every year and that, friends, is what it’s all about: people discovering God’s love through the gift of His Son, Jesus, who came to earth as a Savior to all who believe in Him.

It’s also a privilege to walk hand-in-hand with dedicated friends like you who believe in FEBC and support and pray for the work of sharing the Gospel around the world.

I know you give to honor God, so that others can know Him too. Your support makes it possible for us to deliver the only news with eternal, lasting value…the Good News of Jesus Christ!

Thank you!

Until all have heard,

Edward W. Cannon
